### **PremierFBO Expands Partnership with TITAN Aviation Fuels**

*Long term relationship grows to support operations across PTK, DAY, and CVG, reinforcing a shared commitment to service, reliability, and long-term success.*

**New Bern, NC (June 12, 2026)** - TITAN Aviation Fuels is proud to announce the expansion of its long-standing partnership with PremierFBO, which has selected TITAN Aviation Fuels to support operations at all three of its fixed base operator (FBO) locations: Oakland County International Airport (PTK), Dayton International Airport (DAY), and Cincinnati/Northern Kentucky International Airport (CVG).

The expanded agreement builds on a successful long term relationship between TITAN and PremierFBO at PTK. As Premier Air Services has grown its footprint, the company has continued to place its trust in TITAN's fueling solutions, operational support, and commitment to service.

"One of the greatest indicators of success is when customers choose to grow with you," said Robbie Stallings, President of TITAN. "Our relationship with PremierFBO is a testament to the value of long-term partnerships built on trust, responsiveness, and a shared commitment to delivering exceptional service to aircraft operators."

PremierFBO has earned a strong reputation for delivering premium FBO services and customer experiences across its network. By expanding its partnership with TITAN to include DAY and CVG, the company reinforces its commitment to providing dependable fueling solutions and operational excellence across all locations.

The expanded partnership reflects TITAN's customer-first philosophy and aligns with the company's brand promise: Rooted in Family Values. Built on Trust. Fueled by Service.

"For more than 50 years, TITAN has focused on building relationships that extend beyond contracts," said Stallings. "We are honored that PremierFBO continues to place its confidence in our team and look forward to supporting their continued growth for years to come."

Today, TITAN supports a network of more than 665 branded FBO locations and over 2,100 fuel acceptance locations globally, providing operators with trusted service, competitive fueling solutions, and industry-leading support.

*TITAN Aviation Fuels is a leading global supplier of aviation fuel with a network of more than 665 branded FBO locations.
